APEX-JET
MUTIFUNCTIONAL
DTG PRINTER-DTG6090

Apex-jet DTG6090 printer is made from high-end materials that have passed inspection. DTG6090 is a durable double-platen or multiple-platen garment printer, its maximum platform size is 600*900mm. It produces the high resolution images on many types of garments, especially 100% cotton and high-cotton blend t-shirts. Combined with SAI PhotoPrint software, this printer is an easy-to-use and easy-to-maintain industrial garment printer.

- * Four T-shirts Printing At One Pass Is Available
- * White Ink And Color Ink At One Pass
- * High Speed
- * Easy Operation
- * Small Foot-Print
- * Industrial Performance
- * Real Color Printing
