

Description:

Model N6090

UV Microtec UV printer

Feature:

- * UV printer
- * Microtec
- * 360° printing
- * Full color printing
- * High resolution printing
- * High speed printing
- * High quality printing
- * High durability printing
- * High accuracy printing
- * High precision printing
- * High stability printing
- * High reliability printing
- * High performance printing
- * High efficiency printing
- * High productivity printing
- * High output printing
- * High quality printing
- * High accuracy printing
- * High precision printing
- * High stability printing
- * High reliability printing
- * High performance printing
- * High efficiency printing
- * High productivity printing
- * High output printing
