

Bizcocho con tinta comestible para clientes de España por la impresora UV Nex60 de apex

Impresora UV imprimir muestra de prueba de galletas a continuación:

Customer from Spain
Print biscuit with edible ink

Our first APEX printed biscuit !!!!

Thank you for your help, now began our work to refine it

Hope no need your help again, but if so we will contact you again

We are like a boy, with a new toy !!!

Thank You !!!

Happy for you!!!

Look very delicious!
