

Biscuit d'impression pour client Espagne avec encre comestible par une imprimante UV apex N4060

Test de biscuit d'impression d'imprimante UV échantillon ci-dessous:

Customer from Spain
Print biscuit with edible ink

Our first APEX printed biscuit !!!!

Thank you for your help, now began
our work to refine it

Hope no need your help again, but if
so we will contact you again

We are like a boy, with a new toy !!!

Thank You !!!

Happy for you!!!

Look very delicious!
