

Biscotto stampa cliente Spagna con inchiostro commestibile per stampante UV apex N4060

Campione di prova di biscotto stampa stampante UV di seguito:

Customer from Spain
Print biscuit with edible ink

Our first APEX printed biscuit !!!!

Thank you for your help, now began our work to refine it

Hope no need your help again, but if so we will contact you again

We are like a boy, with a new toy !!!

Thank You !!!

Happy for you!!!

Look very delicious!
