APEX-JET MUTIFUNCTIONAL DTG PRINTER-DTG4060

Apex-jet DTG4060 printer is made from high-end materials that have passed inspection. DTG4060 is a durable double-platen or multiple-platen garment printer, its maximum platform size is 400*600mm. It produces the high resolution images on many types of garments, especially 100% cotton and high-cotton blend t-shirts. Combined with SAI PhotoPrint software, this printer is an easy-to-use and easy-to-maintain industrial garment printer.
