

Spain customer print biscuit with edible ink by apex N4060 UV printer

UV Printer print biscuit test sample below:

Customer from Spain  
Print biscuit with edible ink

Our first APEX printed biscuit !!!!

Thank you for your help, now began our work to refine it

Hope no need your help again, but if so we will contact you again

We are like a boy, with a new toy !!!

Thank You !!!

Happy for you!!!

Look very delicious!
