Acrylic Mold for Bottle Opener - Small

High quality acrylic printing tray with 40 Bottle Opner positions. Use this to position your Bottle Opner before spray and printing process and slide into printer position. You can print any image you love on these Bottle Opners, such as company logo, cartoon image, etc. Once software installation is complete and trays are received, a one-time calibration is required which requires INI margin alignment. Buy more print trays for a more efficient production!
