

Печенье для покупок в Испании с использованием съедобных чернил УФ-принтером Арех N4060

Образец теста для печенья с УФ-принтером:

Customer from Spain
Print biscuit with edible ink

Our first APEX printed biscuit !!!!

Thank you for your help, now began
our work to refine it

Hope no need your help again, but if
so we will contact you again

We are like a boy, with a new toy !!!

Thank You !!!

Happy for you!!!

Look very delicious!
